Re: Jeewani Wellawala AD

To Whom it may concern:

We are happy to provide this letter of reference for Jeewani.

We had the pleasure of having Jeewani as part of our design team here at Excel Industries Ltd. She brought to our workplace a strong commitment to working hard and contributing to the projects that she worked on with all her energy and ability. This type of commitment is an asset that we don't see very often: she was ready to learn and do it with enthusiasm. She is dedicated to growing her skills and becoming a contributor to any workplace that she is part of.

She is a kind, respectful and generous person who brought with her credentials that we could use and some that, unfortunately, we didn't yet utilize. Jeewani's background from the Architectural Technology program at TRU gives her insight into the planning and design process. As well, her social media and photography skills are really valuable tools today.

If you need to call for further information please contact Rose Roy at 250-376-8711 Local # 103 or Laura Lizzi at 250-376-8711 Local # 102.
